FIELDING YOUR TEAM

Companies compete within one of four divisions based on total number of employees (full-time and part-time) in the Louisville MSA. Spouses and significant others are welcome to participate. The Corporate Games are designed so that companies can be competitive with as few as 15 participants, or with as many as 100 participants to share in the fun. Companies are encouraged to designate a team captain to work with employees and Sports Commission staff. We provide detailed information, a contact person to field questions and optional training sessions with tips on how to field a team.

HOW TO WIN

There are 15 different competitions, divided into Bracketed and Competitive events. (A full set of competition rules and scoring charts is available on the website.) Some events produce points through accuracy and participation; other events match up company teams in bracketed play and reward the top finishers. Additional points are awarded to teams that participant in the Good Sport Activities. And for those who want more action or to get moving in a non-competitive environment, stop by the Baptist Healthcare Family Fun Zone for health and wellness activities, including yoga and a pro football combine simulator.

3-6
Participants

3x3 Basketball Tournament

Three-on-three single-elimination basketball tournament. Games go to 10 points by two with a 15-minute time limit. Each team must have a male and female participant on the court at all times. Teams can carry extra players to substitute.

6-10

Each team must start with two male and two participants on the court. Teams can carry extra players to substitute.

6-10

Republic Bank Tug-of-War

The lineup must alternate male and female participants. No spikes allowed. Teams can carry extra players to substitute.

6-9
Participants

WDRB Volleyball

Single-elimination volleyball tournament. A flip of a coin determines which team serves first. Points are earned by rally scoring. Game is played to 25 points, win by two, cap at 30. Each team must have a minimum of two females on the court. Teams can carry extra players to substitute.

COMPETITIVE EVENTS

Competitive events are designed to foster a spirit of teamwork. Participants of most any skill level and physical conditioning can participate. These are point-scoring events that help determine the team standings.

4
Participants

Basketball Shootout

Participants have 90 seconds to score as many points as possible shooting from pre-marked spots of different point values. Rebounders feed the ball back to the shooters. Teams are allowed two shooters and two rebounders. Shooters must alternate shots. Points are added for the team score.

3 or 6
Participants

Cornhole Toss

Participants have three minutes to score as many points as possible tossing bean bags full of corn onto cornhole boards. Everyone on the team gets to throw as long as time allows and the points are added up for the team score. If team of three, must have at least one female participant; if team of six, must have at least two female participants.

4
Participants

Football Throw

Each participant on the team will have five throws to score as many points possible throwing footballs at targets from various distances. A participant may throw the football at any of the targets. Points are added for the team score.

VOLUNTEERS = SUCCESSFUL GAMES

Volunteers are essential to making the Corporate Games a success. In addition, volunteering provides employees who are not able to compete the opportunity to participate. While the goal for each company is to focus on team building, family and friends are also welcome to participate as your company's volunteers. Companies that provide at least five volunteers will receive 10 points per volunteer up to a total of 50 points toward their teams' overall scores.

4
Participants

Frisbee Toss

Teams will have two minutes to throw and catch as many Frisbees as they can – back and forth – from a distance of 10 yards. Teams are comprised of two tossers and two catchers. Successful catches placed in the basket are added for the team score.

3
Participants

Golf Chip Challenge

Each participant will get five shots from 15 yards to hit a golf ball into a chipping basket with three interior nets of varying sizes. Points will be determined based on where the golf ball lands - in the basket or in one of two concentric circles surrounding the basket. Points are combined for the team score.

3
Participants

Lacrosse Shot

Each participant will take unguarded shots from predetermined locations – within a specified time limit – to score as many points possible. Points are added for the team score. Event details will be updated once all information has been finalized.

2
Participants

Parallel Parking

Participants will park a mid-sized or full-size vehicle. The participants must parallel park the selected vehicle inside a 23' x 7' designated spot using no more than three gear changes. No points will be awarded if it takes more than 45 seconds to park.

4
Participants

Soccer Kick

Each participant will kick five soccer balls unguarded from 12 yards away at a regulation-sized goal. Points will be determined by the shot difficulty and are added for a team score.

4
Participants

Softball Home Run Derby

Slow pitch, softball batting contest where up to three team members will have 45 seconds each against a pitching machine to hit home runs. For extra points, team members not at-bat are allowed to catch batted balls on any fly balls that do not go over the fence.

4
Participants

Waystar Team Challenge

Each person on the four-person team will run the team challenge course – a loop of approximately 100 yards with challenges such as a mouse wheel, plank walk, potato sack challenge, and a puzzle challenge (subject to change). Teams must be comprised of two male and two female participants.

5
Participants

Water Balloon Toss

Team members are placed in a single line spaced 10 feet apart. Participants will have 60 seconds to pass 10 water balloons down the line to place in a bucket. The balloons are then passed back up the line; a point is scored for every intact balloon placed back in a bucket.

The Corporate Games kick off at 8:30 a.m. with the **Horseshoe Southern Indiana Wellness Walk**, which is open to all participants and their family members. This is a one-mile, non-timed, family-friendly walk that takes place on the Kentucky Country Day campus. Bring your kids. Companies are awarded five bonus points for every participant with a maximum of 50 points.

NOTE: All events are co-ed and must have at least one male and one female participant, unless otherwise noted above. Please see Team Recruitment Form for specific male/female requirements for each event.

GOOD SPORTS ACTIVITIES – Optional

These events are meant to build team spirit and in some instances, provide good works for those less fortunate in our community. Your company also can earn bonus points toward the team standings.

Food Drive

Help us gather food to donate to Dare to Care by bringing in non-perishable food items. Companies that participate in the food drive earn 50 bonus points to increase their overall team score.

Playing it Forward

Team Selfie

During the course of competition, selfies taken with team members can mean bonus points added to team scores. Photos must be shared publicly and include the hashtag #SportsinLou **and** tag the Louisville Sports Commission Instagram or Twitter account (@SportsinLou). Earn 10 points per post with a maximum of 50 bonus points per team.

Trilogy Health Services Team Tailgating Contest

Team members are encouraged to show off their company pride and creatively decorate their tailgating area. Teams may bring in ice chests and coolers with non-alcoholic drinks and refreshments. Kids and spouses are welcome. Baptist Healthcare Fun Zone activities do not score points toward team standings.

Kids Zone (9 a.m. - noon)

There will be a special area set aside where kids can try their skills at competitions such as corn hole, soccer kick, and football toss. Kids also are encouraged to see how they measure up in the pro football combine simulator.

Yoga

There will be a 15-minute yoga class suitable for beginners prior to the awards ceremony.

Pro Football Combine Simulator

Using the same measurable skills used by the professional football scouts and evaluators, measure yourself against the top college football players who train for years to get a chance to play at the next level. Continuous action.

- 40-Yard Dash. The 40-yard dash is all about speed and explosion, and football players at all positions are measured by their time in this classic event. Participants will be timed by hand on stopwatches.
- Vertical Jump. The vertical jump is all about lower-body explosion and power. The athlete stands flat-footed and leaps toward the sky for the vertical jump measurement.
- Standing Broad Jump. This activity tests an athlete's lower-body explosion and lower-body strength. The athlete begins with a balanced stance and then jumps ahead as far as possible from a standing start.
- Three-Cone Drill. The three-cone drill tests an athlete's agility and ability to change directions at a high speed. Cones are arranged in an L-shape and the competitor weaves around the cones and is required to change directions. Participants will be timed by hand on stopwatches.
- Shuttle Run. This classic drill tests the athlete's lateral quickness and explosion in short distances of five to 10 yards. Be prepared to stay low and move your feet. Participants will be timed by hand on stopwatches.
- Muscular Strength and Endurance. This test of strength and endurance will have three stations - one each for pull-ups, sit-ups and push-ups. You will have 30 seconds at each station to see how many repetitions of each you can complete.
