As you organize your team, you will want to emphasize the fun and friendly spirit of the games. What's important is being a member of the company's team, not athletic ability. There is enough variety in the types of sports offered for everyone to get involved.

Please note, except for the Caesars Southern Indiana Wellness Walk, all team members in the bracketed and competitive events must be at least 18 years of age. Team members may take part in more than one event, but competitions will not be delayed waiting for participants. It is the responsibility of each participant to ensure competition schedules are not conflicting.
